

INVEST IN THE HEREAFTER

A TRADE THAT WILL NEVER PERISH

تِجَارَةٌ لَّنْ تَبُورَ

OUR MISSION

AlSajdah is not just another mosque, It is learning center which strives to provide premium education to our children in such an Islamic environment where a strong foundation can be built, allowing them to grow up as learned and confident individuals. We aim for excellence in academics, faith, character and Islamic values.

As a masjid, we provide an environment built around knowledge and spirituality in order to preserve the original teachings & form of worship in our community.

We are currently raising funds to move to a bigger property. Picture shows one of the property we are looking to buy with 6000+ sq ft space ready to be used for our growing school & community. (inshaAllah!)

BE PART OF SOMETHING BIGGER

Donating a little bit of money or time may not seem like much. But if your donation is joined with others, it becomes something much bigger.

SPREAD THE WORD — GET THE REWARD

A few people giving will have a smaller impact and will take much longer to reach our goals. If everyone from the Ummah contributes then the effect will be enormous and a huge number of children will benefit.

SADAQAH JARIAH — ONGOING CHARITY

When a man dies, his good deeds will come to an end except for three: Sadaqah Jariyah, knowledge which is beneficial, or a pious descendant who prays for him.
